

# IMMEDIATE RESULTS WITH AUTOVITALS

How AutoVitals' revolutionized Advanced Automotive's digital inspections, workflow management, marketing, and website.

## BEFORE AUTOVITALS

Being in business for 28 years, Greg tried different website, marketing, and digital inspection providers with little to show for his investment.

 **THE CHALLENGE:** "Long story short, the other marketing and digital inspections we tried never worked. We were still getting a lot of no-shows".

## SOLUTION & BENEFITS

Advanced Automotive began using AutoVitals for their digital inspections, workflow management, CRM, and website. Advanced Automotive immediately increased sales, and customers complimented the new website's professionalism and quality of their digital inspections.

-  **Immediate Results**  
After one month, sales increased by 44%, and four 'lost' customers returned.
-  **3+ Hours Saved Every Day**  
DVI sped up the approval process & streamlined shop communication.
-  **Increased Return on Investment**  
"We are saving hundreds of dollars every month and getting 40% better marketing".

**GREG AUGUSTINE**

Advanced Automotive

"Our first marketing campaign immediately generated appointments for us. Since using AutoVitals' service reminders, we haven't had any no shows."
